Waxman's personal clients, he says, are "the same causes that I advocated for when I was in Congress." Those include 340B Health, a membership organization for hospitals that serve low-income people (through the 340B drug discount program that Waxman wrote); the environmental group Climate Advisers; and "Save Wireless Choice," a campaign launched by a coalition including T-Mobile and Sprint to reserve more bandwidth for companies that aren't AT&T or Verizon.
Thank you so much for your information and encouraging words. I am currently living in Germany, so I will try to see if there is a natural alternative/homeopathic doctor I can find. I go tomorrow to my gynecologist again. I do not take antibiotics, but I am going to plead with her to test the hormones and such.
